

REMARKS/ARGUMENTS

Applicants received a Notice of Omitted Item(s) In a Nonprovisional Application dated 11/22/2004. Page 16 was apparently not in the Patent Office file. Page 16 contained only claims that had been previously canceled. Applicant is submitting a new Listing of Claims, leaving only claims 19 to 21.

In light of the fact that the page that was indicated as being omitted contained only claims that were disclaimed, applicants elect to act under Option 3 and rely upon the application as filed without page 16. Accordingly, applicants would request continued prosecution of the application.

Respectfully submitted,

WOOD, HERRON & EVANS, L.L.P.
